

# Illuminate Your Audience With Teachings on Grounded Spirituality

When Kisma speaks, people light up...

“ Kisma is one of today’s top spiritual teachers and thought leaders. *Toby Alexander*

As a modern day spiritual teacher and thought leader, Kisma focuses on bringing grounded spiritual teachings to **entrepreneurs, corporations and individuals** who seek alignment of life, business and purpose. Her harmonization systems solve and resolve limiting beliefs and negative programs so that you can have clarity, certainty, confidence and success.

Kisma Orbovich is founder and CEO of Illumination Academy™, home base for the most uniquely developed and significant trainings and courses for spirituality, meditation, business building and Self Mastery. She has been referred to as one of the most prominent thought leaders of today and devotes herself to teaching others how to **understand their life purpose and live with true freedom.**

For most of her life, Kisma was found on stage as an award winner flutist- performing world-wide whether in orchestras, chamber music groups or as a soloist. Now she finds herself onstage teaching and sharing the symphony of energy, quantum elevation, spirituality and co-creation that exists in our reality today.

Her soon to be released book **A New Sense of Self**, is based upon her travels across the globe seeking the highest teachings on the planet. Kisma is co-host with her partner Nick Hansinger of the award winning Illumination Podcast- bringing ancient technologies for modern day success into the homes of people worldwide.

“ Kisma has helped me identify and clear limiting beliefs and blocks. I expanded into new arenas of self-discovery and understanding my target audience. My monthly income increased after implementing the strategies Kisma outlined. I am indebted to her genius, intuitive insight, and overall caring. Anyone looking to expand their life or business should take advantage—she is a gem! *Dr. Anne Deatly, Energy Medicine, CEO Quantum Breakthrough*
